

DS804/DM868/DM870
WRITTEN EXAM
Multiple Choice questions
WITH AIDS

The exam is digital end therefore you must bring your own computer.

[SDU's general examination rules apply](#). In addition, the following specific examination rules also apply.

Specific rules

System DE-Digital Exam (<https://digitaleksamen.sdu.dk/>) is used at the exam. See guide to the system at mitsdu.dk and on the following pages. **Please check that you can see your exam in the system DE-Digital Exam well in advance of the exam day.** If you cannot see your exam, contact your study immediately.

It is recommended that you in advance of the exam day try a MCQ demo exam to make sure that the system works correctly on your computer. Click "Try a demo exam" in the system.

Eduroam (<http://wifi.sdu.dk/>) and **Exam Monitor** (<https://sdu.exammonitor.dk>) are used. See separate guide to Exam Monitor and possibly detailed installation instructions at <https://mitsdu.dk/exammonitor>.

Examination aids

All common aids are allowed e.g. books, notes, computer programmes which do not use internet etc.

Internet is not allowed during the exam. However, you may visit system DE-Digital Exam when answering the multiple-choice questions. **If you wish to use course materials from itslearning, you must download the materials to your computer the day before the exam.** During the exam itslearning is not allowed.

At the start of the exam

- Turn off file sharing services (OneDrive, Google documents, Dropbox, AirDrop etc.) and chatbots (ChatGPT, Bard etc.) before the exam starts. It is considered cheating if they are running when the exam starts.

The examination paper

- The questions will be digital and becomes visible via system DE-Digital Exam when the exam starts. To open the multiple-choice test, you must enter a pin code/password. The invigilators will inform you about the password before the exam start.
- The questions will be presented one at the time and you can navigate forth and back freely between the questions. Your answer will be saved when you navigate to the next question.
- **The answers must be finished and entered electronically in system DE-Digital Exam before the exam ends.**

Hand in of the MCQ-test

- When you wish to hand in your answers, click "Complete".
- You can only take the test **once**. Once you press "Complete" and have confirmed that you wish to submit, you can no longer change it.
- When you have submitted your answer, you will receive a receipt. **To be able to leave the examination room you have to show your receipt on your screen.**

Hand out and submission of MCQ tests in the System DE-Digital Exam

Before the exam starts you can see your exam in the system and exam information.

The questions will be presented one at the time and you can navigate forth and back freely between the questions via the buttons "*Previous*" and "*Next*". You can also see a list of all questions below on the page and jump between questions (1). In the upper right corner, you can see the time you have left (2).

The screenshot shows the MCQ Exam interface. At the top, it says "MCQ Exam" on the left, "00:37 to deadline" in the middle, and "Dansk" on the right. A red circle with the number 2 is next to the time. Below this, the question is displayed: "Question 2" followed by a question text and five radio button options. A "Previous" button is on the left and a "Next" button is on the right. At the bottom, there is a navigation bar with a list of question numbers (1, 2, 3) and a "Complete" button. A red circle with the number 1 is next to the question list, and a red circle with the number 3 is next to the "Complete" button. The status "0/3" is shown next to the "Complete" button.

When you wish to submit your answer, click "*Complete*" (3) and confirm that you want to submit. You will now receive a receipt for your submission. You must show your receipt to the invigilators before you leave the exam room.
